# 1<sup>st</sup> G Media Ministry

**A great place to serve**

**DR. BILL HOFF**

Dr. E. Bill Hoff has served as Minister of Media since 1996. At that time our church worship service was first broadcast on WFTE and Faith Channel 19. The television broadcast later moved to WMYO where our broadcast was the number one religious program. We now broadcast on Cable Channel 19 and WBNA TV-21. The services are also shown on monitors throughout the church facility.

The Media Ministry enhances the worship experience through sound, photography, video and screen presentations, the Internet, and signing.

Dr. Hoff invites you to join our media family and express your talents for the Lord.

## **AUDIO TEAM**

Our audio team is one of the most important components of our ministry and each member is extremely dedicated to the ministry. Sound equipment has to be carefully set up and taken down for each service. Our audio technicians provide sound support for each service and also record the services for future reference.

## **PROJECTION TEAM**

Our projection team is one of the most visible components of our ministry and each member is very meticulous. Not only do they create announcements and worship notes, they are responsible for “live” production during worship services and special events.

## **PHOTOGRAPHY**

Our photographers provide a visual record of special events and worship services as well as photograph new members as they join.

## **SALES/DUPPLICATION**

DVDs and CDs are available for sale after the 10:10 Sunday service. Orders may also be placed for past services or special events. Each weeks’ services are duplicated by media staff for dissemination to visitors and others wishing to share the services with others or to just enjoy the message again themselves.

## **SIGNING**

Media staff offers American Sign Language interpretation for those who are hearing impaired at worship services and special events. Classes are offered in signing if you are interested in this facet of the ministry but are not quite proficient in signing.

## **VIDEO**

Media team members videotape each Sunday worship service at 10:10 a.m. and many special events. We hope to be able to videotape many more events in the future and provide live streaming of certain events. However, in order to do that, we need YOU! Training is provided so you only need to be a committed, dedicated worker and volunteer.

**For information on open positions or to submit your application, please visit our Media Office located in the Worship Gym near the main entrance.**
